

Special Olympics Virginia

October 16, 2008

Dear Frank,

On behalf of Area 26, thank you and Ayalea Charities for your generous donation. This will assist us in making our sports programs available for free to local adults and children with intellectual disabilities. Yet as you know, Special Olympics is about more than sports. Let's start with joy, friendship, confidence and self-esteem and end with the words of Special Olympics Global Messenger Frank Stephens: "The heart of Special Olympics is teaching us all that we can be better than we thought we could be."

Fans like you and Ayalea Charities make it possible for all of our lives to be transformed through Special Olympics.

With deepest appreciation for all you do,

Beth Frank
