Dear Mr. Lasch,

On behalf of the Literacy Volunteers of America – Prince William, Inc. (LVA-PW) Board of Directors, staff, volunteers, and adult learners, I want to thank you and Azalea Charities for your very generous support of our annual signature “Food for Thought” – *A Taste of Prince William* fundraiser to be held on June 7, 2017. We received your check in the amount of \$1,000.00 for a Platinum sponsorship for our event.

Thanks to the generosity and community support of Azalea Charities, LVA-PW is able to serve over 700 adult learners each year throughout the county with the help of over 200 trained volunteer tutors. Most of our learners are low income and low literacy; as the largest adult literacy non-profit (501(c) 3) in the county, the demand for our services is ever increasing. Our program offers classroom and individual instruction in GED preparation, English as a Second Language (ESOL), civics and citizenship, basic reading and writing, computer classes and, beginning this year, a job readiness program to help our learners improve literacy while obtaining sustainable jobs with local employers to support their families and become contributing members of our community.

I also appreciate the help of Mr. George Kerr, a member of our Board of Directors and Azalea Charities. Thank you for your phone call on Friday and for your generous support of LVA-PW; we look forward to a long term relationship with Azalea Charities, as a community partner, making Prince William County an even better place to live. Thank you again!

Sincerely,

Deborah Abbott
