Dear Azalea Charities:

Thank you for the support you have extended to wounded warriors and their families. With so many organizations and causes to choose from, we are honored that you considered SEMPERMAX Support Fund and thank you from the bottom of our hearts. The very generous donation of \$3000 is greatly appreciated. Every dollar makes a difference in the lives of the wounded, ill, and injured and their families. The individual and collective kindness behind them ensures that isolated and disenfranchised warriors or family members are enveloped by a sense of team.

You may be interested to know, with extremely low administrative costs, over 95% of our donations go directly to programs. Following donor intent, 100% of donations specifically earmarked for a particular program go to that program. Kind, general donations facilitate our peer to peer mentorship through the Warrior2Warrior Program, and our Meetings of the Minds and Rose Beyond the Thorns Programs throughout the year, which continue to bring people together in a network of support.

We are just a few weeks away from hosting 10 couples from around the nation at a Traumatic Brain Injury Couples at a retreat in Williamsburg, VA from October 23-26. The retreat will combine respite with resiliency workshops presented by 100 Entrepreneurs and VCU. Couples that typically attend these retreats demonstrate a resilient spirit and are always grateful for the opportunity to come together to learn from each other and grow in their relationships. Thank you for helping us make this possible. Thank you for being a part of this mission - One team, providing steadfast support throughout. Respectfully,

Tim Maxwell
