Dear Mr. Lasch:

On behalf of the Oklahoma City VA Medical Center Homeless Program Staff, we would like to thank your organization for assisting our Veterans during the last two years. Azalea Charities has always been available to provide support and financial assistance in time of need to facilitate housing stability for our Veterans and their families. The assistance often came when local resources were exhausted and the Veterans' transition into homelessness was imminent.

We appreciate your willingness to reach out to our Veterans and provide help as quickly as possible. Your organization's genuine concern and effort to go above and beyond for our Veterans on several occasions has truly been remarkable.

The VA continues to move forward in order to meet the Presidential mandate to end Veteran homelessness by 2015. We are thankful for organizations such as yours who have chosen this cause and work tirelessly to help those men and women who have served our country. We wish you continued success in all of your endeavors and thank you on behalf of all the Oklahoma Veterans who remain stably housed because of your help.

Sincerely,
